Green

Chapter 1 by Rubina Matevosyan

I was thrown off to the side of the table. Confused I thought, "My color should stand out, I am green, I am used for grass, and leaves, but also the color of March." So being thrown to the side was thought foolish to me. My owner Carla, a young 6 and a half, (this week) bought me in a pack of 12. Making me even more special. Dark green was the color of watermelons, and moss. So he is not a special color. When Carla picks up dark green, I gasp in horror. Carla was bright and special! not dark and gloomy. I roll over to see what fantastic art she is drawing. It was a design. Not a picture. There were flowers in each row, and instead of using me for the stem of the flower, dark green was used. I rolled back over with a little push from Carla and thought. "Why would she treat me like this? She knows I hate dark green, and i'm her favorite!" then I realized. I was not sharped. Out of red, purple, pink, sky blue, dark blue, dark green, turquoise, lavender, violet, hot pink, and white, I was the least sharpened. This would not stand. I stayed where I was until the sun set and Carla got a good night kiss from her mother, those kisses always out her to bed. I slipped out of my package, which was missing dark green, and started to head to the electric sharpener in the playroom.

Saw you there and I thought oh my god
Look at that face, you look like my next mistake
Love's a game, wanna play
New money, suit and tie
I can read you like a magazine
Ain't it funny rumors fly
And I know you heard about me
So hey, let's be friends
I'm dying to see how this one ends
Grab your passport and my hand
I could make the bad guys good for a weekend

[Pre-Chorus]

So it's gonna be forever
Or it's gonna go down in flames
You can tell me when it's over
If the high was worth the pain
Got a long list of ex-lovers
They'll tell you I'm insane
Cause you know I love the players
And you love the game

[Chorus]

Cause we're young and we're reckless
We'll take this way too far
It'll leave you breathless
Or with a nasty scar
Got a long list of ex-lovers
They'll tell you I'm insane
But I got a blank space baby

[Verse 2]

Cherry lips

Crystal skies

I could show you incredible things

Stolen kisses, pretty lies

You're the king baby I'm your queen

Find out what you want

Be that girl for a month

But the worst is yet to come

Oh no

Screaming, crying, perfect storms

I could make all the tables turn

Rose garden filled with thorns

Keep you second guessing like oh my god

Who is she? I get drunk on jealousy

But you'll come back each time you leave

Cause darling I'm a nightmare dressed like a daydream

[Pre-Chorus]

So it's gonna be forever

Or it's gonna go down in flames

You can tell me when it's over

If the high was worth the pain

Got a long list of ex-lovers

They'll tell you I'm insane

Cause you know I love the players

And you love the game

[Chorus]

Cause we're young and we're reckless

Don't you know we're gonna break free?

Or we're gonna fly away?

But I got a hand space baby

And I'll write your name

[Bridge]

Boys only want love if it's torture
Don't say I didn't say I didn't warn you
Boys only want love if it's torture
Don't say I didn't say I didn't warn you

[Pre-Chorus]

So it's gonna be forever
Or it's gonna go down in flames
